Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services **Coverage for: Family| Plan Type: PPO Plan**

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [insert contact information]. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	$250 / Individual $750 / Family	You must pay all the costs up to **deductible** amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the **deductible** starts over (usually, but not always, January 1st) See the chart starting on page 2 of how much you pay for covered services after you meet the **deductible**.
Are there services covered before you meet your deductible?	No	You will have to meet the **deductible** before the plan pays for any services.
Are there other deductibles for specific services?	Yes, $25 for dental benefits for dependents only. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific **deductible** amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	$4,000 / Person	The **out-of-pocket** limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit?	Amounts over plan maximums, premiums, balance-billed charges, and health care this plan does not cover.	Even though you pay these expenses, they do not count towards the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes. See www.anthem.com or call (800) 274-7767 for a list of participating providers.	This **plan** uses a **provider network**. You will pay less if you use a **provider** in the **provider network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the **provider's** charge and what your **plan** pays (balance billing).
Do you need a referral to see a specialist?	No	You can see the **specialist** you choose without permission from this plan.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
